High Ability Mission Statement
The mission of East Allen County Schools is to provide educational choices which will engage, challenge and support high ability learners to reach their full intellectual, social-emotional, and creative potential.

Indiana Department of Education
Definition of High Ability
*The Indiana Code defines a student with high abilities as one who
  1. performs at or shows the potential for performing at an outstanding level of accomplishment in at least one domain when compared with other students the same age, experience, or environment; and
  2. is characterized by exceptional gifts, talents, motivation, or interests.

Rationale
Gifted performance results from a complex interaction of human qualities-intellectual, emotional, family and culture relationships, and educational strategies and methods. It is the relationship between an individual with various potentials and a world with various possibilities that may either lead to high level of gifted performance, or to undeveloped and under-used potentials. The challenge is to find an equitable way to allow all children with high abilities the opportunity to participate in experiences designed to maximize the development of their potential. Well-designed curriculum and well-prepared teachers are essential to provide appropriate educational experiences.

*From: Identifying students with high ability in Indiana, IDEO Division of Exceptional Learners
EAST ALLEN COUNTY SCHOOLS
High Ability Programming K-12

Characteristics of Gifted Students

Cognitive Traits
- Very observant
- Extremely curious
- Intense interests
- Excellent memory
- Long attention span
- Excellent reasoning skills
- Well-developed powers of abstraction, conceptualization, and synthesis
- Quickly and easily sees relationships in ideas, objects, or facts
- Fluent and flexible thinking
- Elaborate and original thinking
- Learns quickly with less practice and repetition
- Unusual and/or vivid imagination

Social and Emotional Traits
- Interested in philosophical and social issues
- Very sensitive emotionally and even possibly physically
- Concerned about fairness and injustice
- Perfectionist
- Energetic
- Well-developed sense of humor
- Intrinsically motivated in areas of choice
- Relates well to adults

Language Traits
- Extensive vocabulary
- May read early
- Reads rapidly and widely
- Asks "what if” questions

Additional Traits
- Enjoys learning new things
- Enjoys intellectual activity
- Displays intellectual playfulness
- Prefers books and magazines meant for older children
- Asynchronous development
EAST ALLEN COUNTY SCHOOLS
High Ability Programming K-12

Program Goals

1. High ability students in grades K-12 will be identified regardless of gender, race, age, socio-economic background or language of origin.

2. The East Allen County Schools staff will be presented with opportunities for training in the academic, social and emotional needs of high ability students.

3. East Allen County Schools will provide differentiated curriculum, instruction and social-emotional support for high ability students. Students who are identified as “High Ability” will be clustered in classrooms when at all feasible so that instruction may be differentiated by the teacher(s).
EAST ALLEN COUNTY SCHOOLS
High Ability Programming K-12

**Identification Overview:** For SY12/13, the plan will be to test students in specific primary and intermediate grade levels (likely Grades 2 and 5) and the top 5-10% of those CogAT results will be analyzed at the building level as a potential indicator used to identify a student as High Ability. Since some students do not test well, determinations will be made on an individual student basis at the building level. Criteria will vary from grade level to grade level and from course to course. Also, although students will be identified on an individual basis, a recommendation is that this building-level determination is made following analysis of a minimum of three (3) data points which might include but are not limited to the following:

**Elementary School Programs (Grades K-6)**
- Standardized test scores
- Parent and teacher checklists (i.e. SIGS, Kingore Observation Inventory)
- Aptitude test (i.e. CogAT)
- Teacher / Guidance recommendations
- Interview and observations
- Blind review of data
- Writing prompt(s)
- Building RtI² Committee makes determination of identification

**Middle School Programs (Grades 7-8)**
- Standardized test scores
- Teacher / Guidance recommendations
- Self nomination
- Parent input
- Grades (in some cases)
- Aptitude test (i.e. CogAT)
- Building RtI² Committee makes determination of identification

**High School Programs (Grades 9-12)**
- Grades (in some cases)
- Standardized test scores
- Teacher / Guidance recommendations
- Self nomination
- Parent input
- Aptitude test (i.e. CogAT)
- A/P and / or Dual Credit and/or Project Lead the Way (PLTW)
- Building RtI² Committee makes determination of identification
K-12 High Ability Services

**Differentiation in the Regular Classroom (Grades K-12)**
Classroom teachers are responsible for providing differentiation in lessons and activities and are available to provide assistance and support for differentiation of curriculum. For Grades K-8, please contact the building principal or designee or the counselor to learn of the possibilities available for High Ability services.

**High School High Ability Services (Grades 9-12)**
Services at the high school include those courses that are located in the current edition of the EACS Course Catalog for the school year and listed as Advanced Placement (AP) courses, Project Lead the Way (PLTW) courses, and courses eligible for dual credit. The most current version of the EACS Course Catalog is available on the EACS website: [www.EACS.k12.in.us](http://www.EACS.k12.in.us) A few samples of the types of high school courses available at the time of publication of this document include:

</table>

Additionally, students identified as High ability will also have the opportunity to participate in the following, based upon availability in the school:
- Debate
- Speech
- Academic super bowl
- Spell bowl
EAST ALLEN COUNTY SCHOOLS
High Ability Programming K-12

Dual Enrollment
Students may also receive credit from various colleges for high school course work. Participating colleges may include but may not be limited to Ball State University, Indiana Tech, IPFW, IUPUI, Ivy Tech, Purdue, TRINE, University of Saint Francis, and Vincennes University.

Early Graduation
A student may become a seven (7) semester graduate by completing graduation requirements by the end of the seventh semester of high school.

Grades K-12 Guidance / Counseling
Responsibilities in consultation with RtI² members will include the following:

- Facilitate group or individual sessions on such topics as anxiety, perfectionism, stress management, study / organization skills, and social skills
- Be a member of the RtI² building identification committee
- Facilitate sharing of RDS information with RtI² Committee members and with teachers
- Monitor records of new students who are possible high ability candidates.
- Use the RtI² process to meet the social/emotional and/or academic needs of high ability students as needed (creative use of clubs, fine arts, and other services will be used to try and support the area of passion/interest of these students)
- Facilitate annual parent meeting(s) / contact(s) to assist parents with the unique gifts the student possesses
- Utilize individual and/or group guidance to meet the needs of individual high ability students on an as-needed basis
- Receive and share lists of identified/served high ability students as they transition to from school to school within EACS through the RDS system.
- Monitor high ability students related to various issues such as the known characteristics of high ability students, academic performance levels, attendance rates, discipline rates, club or activity involvement, stress management, anxiety reduction and career awareness.
EAST ALLEN COUNTY SCHOOLS
High Ability Programming K-12

Program Petition Procedure

1) A principal or their designee and/or members of the RtI\textsuperscript{2} Committee will contact parents who request information about placement and the petition procedure. The contact to discuss the advisability of assessing or reassessing a child for possible placement in the program will be with the building principal or their designee.

2) The building principal or their designee will distribute and explain petition forms should the questioner choose to proceed with the petition process.

3) The petitioner will complete petition forms and submit them to the school.

4) The building principal or their designee will schedule a meeting of the RtI\textsuperscript{2} Committee (building identification committee) to review the petition. The petitioner will be invited to attend this meeting to personally provide further information and answer the Committee's questions.

5) The RtI\textsuperscript{2} Committee will make a determination based upon the data for students. These determinations could include the following: identification and placement in the program, further testing, or periodic review of the child's progress.

6) The RtI\textsuperscript{2} Committee (which serves as the building identification committee) will submit a list of students identified as High Ability to the District’s contact who will update the AS400 system with this information on an annual basis (to fulfill the I-DOE’s annual reporting requirement). This assessment window generally is in the month of May. These are the EACS categories for students identified as High Ability learners:

**High Ability Codes:**
1 - General Intellectual (H/A)
2 - Math only (M - HA)
3 - Language Arts (LA - HA)
4 - Other studies (H/A)
East Allen County Schools
High Ability Petition

Name of student ________________________________________________
Date of Birth ____________________ Age ___ Grade _____
School __________________________ Teacher ________________________
Petitioner __________________________ Date of Request _____________

I am requesting that the above-named student be considered for admittance into the High Ability program. The rationale for making this request is as follows:

_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________

Attach additional sheets as needed and return completed petition to:

The School Office - Attention: Principal or principal’s designee
EAST ALLEN COUNTY SCHOOLS
High Ability Programming K-12

Exit Policy initiated by RtI² Committee

1) Student no longer meets High Ability criteria
2) Student no longer performing at expected levels

STEP 1
Teacher conference with parent to share observations

STEP 2
RtI² Committee - building identification committee will contact parent to discuss concerns and develop a plan for student success.

STEP 3
Review in thirty (30) days and continue with student plan for success or begin exit procedures.
Exit Policy Initiated by Parent(s) or Student

While regrettable, it may occasionally become necessary for a student to exit the High Ability program. Before a student exits the program, the following steps will be taken:

1) Parent(s) will discuss concerns with the classroom teacher.

2) If a parent(s) still wishes to consider exiting their student from the high ability program, a meeting will be scheduled with the building principal or designee, classroom teacher and other building staff, as deemed appropriate. Possible alternatives to exiting the student will be discussed, i.e. temporary or permanent exit, modifications in curriculum, etc.

3) If the parent(s) wishes to remove their student from the high ability program, he/she will sign a form stating the intention.
Whole Grade Acceleration

Whole grade acceleration may be considered on a case-by-case basis. Contact the building principal or the principal’s designee.

Early Entrance to Kindergarten Procedure

- Parent(s) will complete a kindergarten early entrance waiver at the school.
- An individual assessment will be completed. The individual assessment includes evaluations in literacy, mathematics, and general intellectual ability.
- Upon completion of the evaluation process, a final decision will be made.
- Parent(s) will be notified by U.S. Mail.
- Copy of the assessment is sent to the building to place in the student's file.
- Master copy of the assessment is maintained at the district.
APPLICATION KINDERGARTEN EARLY ENTRANCE WAIVER
EAST ALLEN COUNTY SCHOOLS

Directions: Please complete the following form and return to the Office of Instruction and Student Support, 1000 Prospect Ave, New Haven, IN 46774. Parents will be contacted to schedule a date for student assessment.

Child’s Name ____________________________________________

High Ability Education Policy

Indiana

In July of 2007, the State of Indiana mandated services for all high ability learners:

Effective July 1, 2007, Indiana schools shall identify students with high ability in the general intellectual and specific academic domains and provide them with appropriately differentiated curriculum and instruction in core content areas, K-12 (refer to IC-20-36-2-2).

The Indiana Code defines a student with high abilities as one who:

1. performs at, or shows the potential for performing at, an outstanding level of accomplishment in at least one domain when compared to other students of the same age, experience, or environment; and:

2. is characterized by exceptional gifts, talents, motivation, or interests (IC 20-36-1-3).

For more information regarding state policies and legislation, see: [http://www.doe.in.gov/exceptional/gt/welcome.html](http://www.doe.in.gov/exceptional/gt/welcome.html) (Indiana DOE High Ability Page)
[Indiana Code for High Ability Programs](http://www.doe.in.gov/exceptional/gt/legislation.html)
