Public Performances by Students

Section 1. General. It is the intent of EACS Administration to encourage attendance of employees of the school district at extracurricular activities.

In support of this intent, all Board members, former Board members, and Central Office administrators shall be provided with an East Allen County Schools' Activity Pass. This pass is nontransferable and will allow admission of the holder of the pass and one (1) guest to all East Allen sponsored activities. At reserved seating activities, the holder of the pass should make reservations prior to the event.

The building principal is authorized to develop extracurricular ticket policies for building level personnel.
