Transportation - Nonpublic School Students

Section 1. General. Nonpublic school students may ride public school buses. A student who attends a nonpublic school located in East Allen County Schools and lives on or along the highway constituting the regular route shall be provided transportation services. Bus routes shall be developed from EACS enrolled students and EACS shall only pick up nonpublic school students who live on the planned route of the bus or at a place on the route whereby the student can be picked up and dropped off safely.

EACS will transport the nonpublic school student in the most economical method to and from the nonpublic school.

Nonpublic students living outside the boundaries of East Allen County Schools will be permitted to ride public school buses provided their legal residence is located on an established East Allen County School’s bus route.

Section 2. Charge for Transportation. There will be no charge for transporting nonpublic students to the nonpublic school located within the boundaries of East Allen County Schools.

Section 3. Walking Areas. Nonpublic students will be required to walk in the same attendance area in which public school students are required to walk.

Section 4. Field Trips. Transportation will not be available for nonpublic field trips.
