Student Employment – Food Service

Section 1. **General.** The schools may use student help in the food service programs at an hourly wage to be established by the Board of School Trustees. Effective January 1, 2007 the hourly rate for student workers in the cafeteria shall be $4.25 per hour.

The rate shall be reviewed annually by the Superintendent’s office with recommendation to the Board of School Trustees if change in rate is needed.

The hourly wage shall be observed in all schools.
