**Our Mission**
The mission of East Allen County Schools Educational Foundation, Inc. is to engage the community in support of public education, provide ancillary funding for programs and activities that elevate the quality of education and extend learning opportunities for students of East Allen County Schools.

**Collegiate Connection/Dual Credit**
The Foundation’s primary initiative is our Collegiate Connection/Dual Credit. Through this program, each EACS high school receives up to $5,000 annually from the EACS Educational Foundation (to add to $2,000 from each school for this purpose) to provide reimbursement for current EACS junior and senior students enrolled in college coursework (while still enrolled with EACS).

To date, through the support we have received, **693 EACS students** have benefited from our Collegiate Connection / Dual Credit program.

The Foundation’s lead sponsor is:

**What impact is your support having on students?**
Here are a few comments from our Collegiate Connection / Dual Credit recipients related to their experiences:

- “This allowed me to be ahead and get done with college one year sooner. It also helped me to be prepared for starting the college life ahead of my next school year. It has taught me how to manage my time with all the hours of homework.”
- “Being able to take the classes that I have this year has brought me so much closer to my goals. I was able to complete 17 credit hours during my last year in high school. ...This has given me a big advantage for going to college full-time next year.”
- “Like any student probably worries, I was not sure if I would be able to handle college, I was frightened of the large campus, and intimidated by the professors. As of now, all of these worries are gone and I feel a sense of relief knowing that I will not have to worry about these things next fall as a full-time freshman.”
- “Due to this program, I have already earned 6 college credits through IPFW. I am planning on enrolling there next year for the Pre-Pharmacy program. This program has given me a head start to my college career and I am very grateful to have been allowed to complete those credits through the Collegiate Connection.”

**Your Support is Requested**
Over the years, our Foundation has benefited from the support of corporate and individual donors. The EACS Foundation asks for your support of our efforts.

Donations to the Foundation may be made payable to the **East Allen County Schools Educational Foundation, Inc.**

Your donation to the Foundation may be tax deductible. Consult your financial planner / tax preparer for details.

Perhaps you might consider contributing to our Dual Credit / Collegiate Connection program. Or, you might have a new idea that you would like us to consider. Contact our Foundation’s director to discuss your ideas to see what your support could provide.
