POLICY TYPE: EXECUTIVE EXPECTATIONS

POLICY TITLE: FACILITIES USE

The Superintendent shall maximize the effective utilization of all EACS facilities.

Accordingly, the Superintendent shall:

1. Present an annual facilities utilization plan with options to the Board, no later than March 1 of each year, for approval.
   A. Such facilities plan shall include one year, three year, and seven year considerations.
   B. Such facilities plan shall include financial, programs, demographics and Ends considerations with a plan for voluntary racial balance, including associated costs.
   C. Such facilities plan shall consider professional opinions, parental concerns, and other community input for quality educational utilization and management.
   D. Such facilities plan when recommending the closing of a facility shall contain an analysis of all steps taken to reallocate resources in order to keep the facility in operation and maintain a quality learning process.
   E. Such facilities plan shall not change grade configurations or alignments without Board approval.

2. Not allow uses to conflict with the Ends policies of the Board.

3. Operate the facilities in a manner consistent with the current facilities utilization plan approved by the Board.

4. Not allow any portion of any facilities to be renamed in honor of an individual without specific Board approval.
