Because the five year agreement with EACS’ PPO Parkview/Signature Care is set to expire in December 2013, the PPO vendor Request for Proposal (RFP) process began in June 2013. Specs were sent to Parkview and Lutheran to bid on a new five year agreement starting January 1, 2014. Asst. Supt. Kirby Stahly, along with Old National Insurance representative Steve Gille, explained the RFP criteria and process, as well as the proposal evaluation process.

Kirby Stahly presented further Budget information along with additional proposed cost reductions. The Budget must be approved by no later than the October 15th Board meeting to meet the state deadline.

Doug Roemer, Director of Facilities, reviewed G.O. Bond information along with a list of prospective projects that could be completed with a $2M G.O. Bond. The Board asks that a building utilization study be conducted.

Several Presentations were given to the Board:
- Asst. Supt. Marilyn Hissong and Kurt Dager, Corporation Test Coordinator shared ISTEP+ results for the district and fielded questions from the Board.
- Tamyra Kelly, Public Relations Liaison, shared information gleaned from the Student Exit Surveys.
- Asst. Supt. Kirby Stahly and Rod Wilson of City Securities presented G.O. Bond information to the Board.
- Asst. Supt. Dr. Mike Shaffer reported on our ADM and enrollment for this school year. We are down as a District approximately 100 students from the February count date.

The two 2013 Leo High School Academic Super Bowl Team[s] State Champions were recognized. Competing at Purdue University last May, both teams – a Social Studies team and a Fine Arts team - won the State title. They were recently awarded $600.00 to be used for academic team growth and success. The Social Studies team included: Kaylyn O’Dell, Justin Stuckey and Brandon Werling. The Fine Arts team included: Paige Dempsey, Jordan Schoonover and Rebecca Williams. Coaches are Molly Baumert and Mary Hoff. LEHS Principal is Dr. Neal Brown III.

As October is “National Principals” month, each of our principals was recognized for the essential role they play in making a school great. They are among the hardest working, yet often least recognized individuals in education. Principals set the academic tone for their schools, and it is their vision, dedication, and determination that provide the mobilizing force for achieving student success...we seek to honor these unsung heroes for their tireless efforts in pursuit of excellence in education. Thank you to each and every one of you:
