NEXT - New Haven 7-12 Community Meeting - November 10, 2011
Common Directions

1. #1 priority is the students.

2. Minimize the tax impact & be financially sustainable.
Generally

The majority of questions were relating to “general” questions regarding how the projects are structured, and what the total financial impact looked like.
New Haven 7-12
Comments:

1. Address Art and Music areas.
2. Traffic flow on site.
4. Minimize bus time for students
5. Don’t be over crowded.
6. Separate 7 & 8 from 9 - 12, w/separate gyms.
7. Minimize disruption to students during construction.
8. Concern with site size and increasing the building capacity.
9. Interior corridor crowding now, will be worse with added capacity.
10. Aux. gym concern: a single gym would not be adequate in size, need multiple spaces for events, and practice.
