**Section 2.0 Discussion Items**

2.1 Review of Annual Report

Review/open discussion occurred regarding the annual Demographic Report requested by the Board. It is interesting to note that without the recent influx of Burmese students, EACS’ enrollment would be under projections. Mr. Kirby Stahl, Chief Financial Officer, was on hand to answer the Board’s questions.

2.2 Proposed Budget Reductions & Programming for 2009-10SY (Presentation)

In light of an anticipated shortfall of close to $2.4 million dollars in the General Fund by the end of the 2009 school year, Dr. Novotny presented some proposed reductions for the 2009-10 school year. Programming, policies, and personnel were included for the Board’s review and discussion. Dr. Novotny will compile a finalized list to bring back to the Board for final approval at the March 17th Board meeting.

2.3 Open Discussion of Issues of Interest to the Board

Mr. Allgeier recognized New Haven Middle School Principal Mr. Pete Downey and his staff, who are celebrating Disability Awareness Month this week at their school. NHMS special needs teacher Mrs. Beth Bixby has been instrumental in the planning of events and guest speakers, including Ms. Barb Hornet (from Indianapolis), parent Shannon Clark, and EACS Board Member Rick Allgeier, to name a few. An essay contest is being held, with a winner picked from each grade. Mr. Allgeier also passed out posters and pamphlets.

High praise was given by President Terry to Paul Harding High School’s African-American Club who hosted their 1st annual Black History Month program entitled “A Change in America.” Held last Friday, a panel of community leaders discussed their role in the community/organization they represented. They also shared their perspective on the Civil Right’s Movement and changes that they have witnessed in our country. Board President Rev. Terry was a member of the panel. Board member Leland Etzler also attended the program.

President Terry paid tribute to Dr. Novotny for being a Champion and bringing healing to the district over the last three years.

Currently, the last day of school this year is Tuesday, June 9th, barring any other school closings.

Changes in the calendar from last year include changing to all late arrival days versus some early dismissal/some late arrival days, and ISTEP testing dates will be highlighted to help parents schedule around those days. Mr. Allgeier and Mrs. Lightfoot would like to see more snow days built in to our school calendar in future years.
