EACS is proud to have 3 schools who have qualified as “Four Star Schools.” They are Cedarville Elementary School, Leo Elementary School, and Leo Jr./Sr. High School.

The award is the highest state distinction and is based on student achievement on ISTEP+ assessments and overall attendance rates. To be designated as a Four Star School, a school must be fully accredited, meet Adequate Yearly Progress, and perform in the top 25% of all the schools in the state in each of the following four areas: student attendance rates, mathematic proficiency scores, English/language arts proficiency scores, and the percent of student passing both English/language arts and mathematics. This year these awards were earned by 179 of 1819 schools in our state.

The Governor’s Council for People with Disabilities announced the 2008-09 class for the Partners in Policymaking Academy. This class includes Board member Rick Allgeier.

Heritage (Class C) and Woodlan High School’s (Class D) marching bands will compete at Semi-State this weekend.

Spotlights on Education:

Ms. Shirley Smith, Director of EACS’ Summer Center program, along with Assistants Ms. Becky Beardsley (who has been with the program since its inception 17 years ago) and Mr. Greg Geise (who has been with the program for 10 years), shared highlights from this past year’s program which had an all-academic focus, and involved students from Pre-K through 8th grade.

Mr. Bob Rohrbacher, Executive Director of Student Services, provided additional information to the Board regarding Student Discipline, Summer School, and ADM/Enrollment.

Section 2.0 Discussion Items

2.1 Open Discussion of Issues of Interest to the Board

-Board members need to email their choice of Board Compact to either Janice or Bill by October 31st. Discussion will take place at the November 3rd Board meeting.

-The Listening Tours have gone well.
- Board consensus is to hold, before off-site Board meetings (which take place four times a year), an informal “reception/meet and greet” at the school to connect with the public, to dialogue, answer questions, hear concerns, etc. Light refreshments will be served. This will start with the November 18th off-site Board meeting at New Haven Middle School.

- Mrs. Tamyra Kelly provided the Board with a mockup of EACS Activities Passes for senior citizens. Discussion followed regarding when to implement the program, age limits, perceived lost revenue, consistency throughout the District, a marketing plan, etc. The concept has been shared with the High School Principals. The Athletic Directors will be brought together to springboard a kick off for Fall 2009.

- Regarding Consent Item 6.17 being pulled from the agenda, Mrs. Lightfoot wants to ensure that students and parents are aware of the various educational opportunities EACS offers, i.e. distance learning, dual credit, five campus, early bird classes, independent study, etc. and to make sure these choices are communicated.

2.2 Resolution Re: Contract for Purchase of Natural Gas

Due to deregulation, EACS now has the opportunity to purchase and lock in a fixed therm rate for natural gas thereby saving the District around $20K. Due to the current market, it is recommended that Board approval/authorization be given to pursue locking in a rate over the next several months within the parameters stated in the proposed Resolution. After discussion, Board consensus was to take action on this Resolution at tonight’s meeting (see Action Item 5.1).
