7. STUDENT GRADES EMAILED

For the first time this year, student grades were emailed Tuesday, Sept. 16th, going out at 4:00 a.m. to parents in all buildings who have a working email address in our RDS system. Grades will continue to be emailed every Tuesday in the a.m. this semester, and then again next semester, beginning in the 5th week of the second semester (February 3rd). If parents do not receive the email and want this service, they must give the building secretary a working email address, which the secretary would then enter in RDS. Please note: parents have the ability to opt out of this service and parents have control of which email(s) this service goes to, EACS does not.
