Mission Statement
Our mission is to inspire in all students a passion for learning while developing knowledge, skills and character necessary to become responsible contributors to the local and global society.

Introduction
As an employee of East Allen County Schools, you become a part of a very important educational process for our students. To be successful, each employee must have an understanding of his or her assignments and responsibilities, follow instructions, develop and practice good work habits, be courteous at all times, strive for neatness and accuracy in all work, accept assignments as a challenge and be conscientious and industrious so that you can be a part of the effort in educating our children. Subsequently, our expectation is that our employees conduct themselves in a professional manner at all times and that their actions support the EACS mission.

This handbook has been prepared to introduce you to EACS and acquaint you with the personnel guidelines. This handbook is a summary of our policies, which are presented here only as a matter of information. The contents of this handbook shall not constitute nor be construed as a promise of your employment or as a contract between East Allen County Schools and its employees. A copy of this handbook can be found on our EACS website and a hardcopy can be found in each school building’s main office. You are responsible for reading, understanding and complying with the provisions of this handbook.

Not all benefits outlined in this handbook are applicable to every employee group. In cases where you read “Please refer to your contract/agreement or administrative guideline for eligible employees”, you will need to read the Administrative Guideline applicable to your employee group for more information. All Administrative Guidelines can be found on our EACS website.

Employment Policies

Equal Opportunity
East Allen County Schools has a policy of providing equal opportunity. We are committed to a diverse workforce and value employees’ talents. We support an environment that is inclusive and respectful. East Allen County Schools provides an equal employment opportunity in its employment practices without regard to age, race, color, and national origin, limited English proficiency due to national origin, gender, or disability.
East Allen County Schools is committed to assuring that:

- All recruiting, hiring, training, promotion, compensation, and other employment related programs are provided fairly to all persons on an equal opportunity basis;
- Employment decisions are based on the principles of equal opportunity. All personnel actions such as compensation, benefits, transfers, training, and participation in social and recreational programs are administered without regard to any characteristic protected by state, federal or local law; and
- Employees and applicants will not be subjected to harassment, intimidation, threats, retaliation, coercion or discrimination because they have exercised any right protected by law.

The Human Resource Director serves as our Equal Opportunity Coordinator and has the overall responsibility to assure compliance with this policy. All employees are responsible for supporting the concept of equal opportunity and diversity.

**I-9 Immigration Reform Policy**

East Allen County Schools complies with the Immigration Reform and Control Act of 1986 by employing only United States citizens and non-citizens who are authorized to work in the United States. All employees are asked on their first day of employment to provide original documents verifying the right to work in the United States and to sign a verification form required by federal law (INS Form I-9). If an individual cannot verify his/her right to work, EACS must terminate his/her employment.

By authority of the Immigration Reform and Control Act of 1988, East Allen County Schools hires only United States citizens and lawfully authorized alien workers. All newly hired employees are required to possess specific documentation of employment authorization to verify eligibility to work in the United States. In addition, East Allen County Schools uses E-Verify as part of the I-9 process to verify the work eligibility of all new hires. If you have questions regarding the e-Verify process, please contact the EACS human resources office.

**Employment Matters**

1. Non-contracted employees have a working relationship defined as employment-at-will. Simply stated, employment at will means that in the absence of a specific written agreement, you are free to resign at any time, and East Allen County Schools reserves the right to terminate your employment for any reason (which does not violate any applicable law) with or without prior notice.
2. If you wish to resign you are requested to notify your supervisor of your anticipated departure date at least two weeks in advance. This notice should be in the form of a written statement.

3. Below are a few examples of the most common circumstances in which a separation of employment occurs:
   - Resignation/Retirement – voluntary employment termination initiated by an employee.
   - Termination – involuntary employment termination initiated by EACS
   - Reduction in Force (RIF) – involuntary separation initiated by EACS

4. Upon separation of employment, employees are required to return office keys, building keys, ID badges, EACS issued technology (iPads, laptops) and any EACS issued equipment. Additionally, a health insurance extension of benefits (under COBRA regulations) is available and is offered by mail to eligible employees.

5. Employees that leave East Allen County Schools in good standing may be considered for re-employment.

East Allen County Schools is committed to reducing involuntary exposure to tobacco smoke among students, staff, and visitors. East Allen County Schools believes that it is

Staff Social Media Guidelines

Section 1. General.

The District supports the use of online social media to facilitate District programs, departments and school sites in building a more successful parent, community, student and employee network. This document contains District’s guidelines regarding the use of online social media.

Section 2. Definitions.
Social media is defined as any form of online publication or presence that allows interactive communication, including, but not limited to, social networks, blogs, Internet websites, Internet forums, and wikis. Examples of social media include, but are not limited to, Facebook, Twitter, Instagram, YouTube, Google+, Tumblr, and Flickr.

Section 3. Expectations.

EACS respects the right of employees to use social media and networking sites, message boards and forums, as well as personal websites and blogs, but it is important that employees’ personal use of these sites does not damage the reputation of EACS, its employees, its students or their families. Because readers of social media networks may view the employee as a representative of the schools and the District, EACS requires employees to observe the following rules when referring to the District, its schools, students, programs, activities, employees, volunteers and communities on any social media networks:

A. An employee’s work related use of any social media network and an employee’s work related postings, displays, or communications on any social media network must comply with all state and federal laws and any applicable District policies. Employees must be respectful and professional in all communications (by word, image or other means). Employees shall not use obscene, profane or vulgar language on any social media network or engage in communications or conduct that is harassing, threatening, bullying, libelous, or defamatory or that discusses or encourages any illegal activity, sexual harassment, or bullying.

B. Employees should not use their EACS e-mail address for communications on public social media networks that have not been approved by the District.

C. Employees may not act as a spokesperson for the District or post comments as a representative of the District, except as authorized by the Superintendent or the Superintendent’s designee.

D. When authorized as a spokesperson for the District, employees must disclose their employment relationship with the District.

E. Employees may not disclose information on any social media network that is confidential or proprietary to the District, its students, or employees or that is protected by data privacy laws.

F. Employees may not use or post the District logo on any social media network without permission from the Superintendent, or designee.
G. Employees may not post images on any social media network of co-workers without the co-workers' consent.

H. Employees may not post images of students on any social media network without written parental consent, except for images of students taken in the public arena, such as at sporting events or fine arts public performances.

I. Employees may not post any nonpublic images of the District premises and property, including floor plans.

J. The District recognizes that student groups or members of the public may create social media representing students or groups within the District. When employees, including coaches/advisors, choose to join or engage with these social networking groups, they do so as an employee of the District.

K. Employees have responsibility for maintaining appropriate employee-student relationships at all times and have responsibility for addressing inappropriate behavior or activity on these networks. This includes acting to protect the safety of minors online. Employees are strongly discouraged from including current, minor students as “friends,” “followers,” or any other similar terminology used by various sites without written permission from the students’ parents. Employees are also required to follow all applicable privacy laws when referencing students or posting photos and video of students on private or EACS-affiliated social media accounts. Though it may seem appropriate to celebrate or publicly recognize student successes, posting identifying information or media is prohibited.

**Section 1. General.**

EACS expects all employees to maintain professional behavior in the workplace. To avoid potential conflicts and misunderstandings, and to minimize the risk of violating any laws, policies, or administrative guidelines, all personnel of East Allen County Schools need to be aware of potential ramifications from dating or otherwise engaging in romantic or sexual relationships with other employees.

**Section 2. Criteria for Identification.**

If you have, or develop, a familial or intimate personal relationship with another employee who has immediate or successively higher supervisory authority over you, or over whom you have immediate or successively higher supervisory authority, you must immediately bring your relationship to the attention of the Human Resource Director.

The Superintendent, and anyone having a familial or intimate relationship with the Superintendent, must immediately bring that relationship to the attention of the Board of School Trustees.

**Employee Complaints**

In the event an employee experiences any job-related discrimination or harassment based on race, color, religion, gender, sexual orientation, national origin, age, disability, marital status, amnesty, veteran-status, or believe they have been treated in an unlawful, discriminatory manner or have been unlawfully harassed, he/she should promptly report the incident to a supervisor. If an employee believes it inappropriate to discuss the matter with their supervisor, it should be directly reported to the Human Resource Director. Once made aware of your complaint, EACS is committed to commence an immediate, thorough investigation of the allegations. Complaints will be kept confidential to the maximum extent as possible.

If, at the completion of an investigation, EACS determines that an employee is guilty of discriminatory or harassing behavior, appropriate disciplinary action will be taken against the offending employee.

EACS prohibits any form of retaliation against any employee for filing a bona fide complaint under these guidelines, or for assisting in the complaint investigation. However, if, after investigating any complaint of unlawful discrimination, EACS determines that an employee intentionally provided false information regarding the complaint, disciplinary action may be taken against the one who gave the false information.

The initial approach to settling any issue is open communication. An employee should first seek to resolve any complaint with his/her immediate supervisor through informal discussion. If such discussion does not resolve the matter informally, the employee may initiate a complaint by contacting the Human Resource Director at 446-0288 or ext. 1009.

**General Practices**

Within the first two days of employment, new employees should contact Linda Wolford (ext 2005) to schedule an appointment to get an ID badge.

*Note -ID badges that are lost will be replaced at the employee’s expense of $5. Upon separation from employment, employees are required to return the Identification Badge.*

All injured employees must report to *Parkview Occupational Health for treatment. Failure to do so may result in non-payment of claims. If an injury occurs “after hours” and the supervisor cannot be reached, the employee should not delay seeking treatment. In this event, employees should contact the building administrator the next business day to report the injury/illness.
