SOUTHWICK ELEMENTARY TEACHER
SOFT ROCK 103.9 TEACHER OF THE MONTH

Allyson Bradtmiller has been teaching for over 16 years. She started teaching when she was 18 years old. She was a Sunday school teacher at her church and a volunteer at the East Allen Family Resource Center in New Haven. She received her Master’s degree from Indiana Wesleyan.

Allyson has taught 1st and 2nd grade and has helped students learn at 3rd and 4th grade levels at another district. She also helped set up school curriculums and was team leader for teachers at the level she taught. She is now a teacher at Southwick Elementary where she first started teaching Kindergarten with a majority of EL students. She continued to help these students and their parents learn English. She cares for her students as if they are her own. She has touched many lives through teaching.

Mrs. Bradtmiller puts so much effort into her job while supporting her own family. She has devoted many years to teaching and will devote many more by helping students enjoy learning.

Mrs. Bradtmiller received a surprise visit from the Soft Rock 103.9 staff and they presented her with a $75 gift card from Hall’s Restaurants (Teacher of the Month sponsor) for being named Teacher of the Month!

CONGRATULATIONS MRS. BRADTMILLER!
