Art for Autism Fair

Staff,

The Autism Team has decided to use canvases again this year to get our students and staff involved in the annual Autism Resource Fair. The canvases were a huge success last year! Below is just a small sample of ones that were created by our staff and students. Once again, we will have blank canvases available for those that are interested. All of the canvas art projects will be displayed at the Autism Resource Fair on April 14th 2018. The canvases will be available the day of the event for purchase. Please join our efforts in spreading Autism Awareness!

Rules:

- You may use any theme to decorate the canvas.
- You must incorporate puzzle pieces in the design; It doesn’t matter how many or what size pieces you use.
- You may glue items, paint, decoupage... Etc.
- Staff members should assist the students in the design and implementation of the canvases but keep in mind, we want this to be something the students are making.

Completed canvases must be turned into Jennifer Hartman at Park Hill by Thursday April 13th along with the submission form.

For those interested in completing a project, contact Jennifer Hartman or your building special education teacher to request a canvas. A submission form will be emailed to you and must be returned with your canvas. This is very important because it helps us organize and keep track of all the art pieces.

Contact Jennifer Hartman Ext: 3119 or Katie Lothamer Ext: 7427 with any questions.

Thank YOU for your generous support of our EACS Educational Foundation’s efforts!
Francine’s Friends Mobile Mammography Unit is returning to EACS. This is a wonderful and convenient service offered to EACS and to our community by Parkview Hospital and the Breast Diagnostic Center.

Parkview recommends women have an annual mammogram beginning at age 40. Women 35 and older, who are not experiencing any problems with their breasts, can get a screening mammogram on the coach.

All participants must have a family physician as the screening report is sent to the physician.

For participants that have insurance, their insurance company will be billed. For those that have EACS Group Health Insurance, Mammograms will be considered as a wellness benefit, covered at 100%. Please bring a photo ID and your insurance card.

*NO ONE will be turned away for inability to pay.* Francine’s Friends has funding available and a donation toward the cost of the mammogram is welcome.
