

POLICY TYPE: EXECUTIVE EXPECTATIONS**POLICY TITLE: LEARNER ENVIRONMENT**

Considering the significance of the environment in which learning occurs, the Superintendent shall positively influence that environment.

The Superintendent, in exerting that positive influence, shall:

1. Provide resources for professional development for teachers, volunteers, administrators, and others involved with the learning process.
2. Provide a total quality concept throughout the school system.
3. Assure proper use of electronic information retrieval systems.
4. Ensure that parents are not hindered by the schools from performing their role as first educator of their children.
5. Provide a safe and disciplined environment.
