

POLICY TYPE: EXECUTIVE EXPECTATIONS**POLICY TITLE: EDUCATIONAL EQUITY**

The Superintendent shall actively implement programs and strategies to ensure the educational opportunities in EACS are provided in an equitable manner to all students and prospective students. Accordingly, the Superintendent shall:

1. Create an environment which supports the dynamics of individual school areas and individual students.
2. Narrow the achievement gap between individual school areas and individual students while improving achievement for all.
3. Create and support diverse opportunities within the educational process that bring individual students of different races and ethnic backgrounds together in order to help them achieve their potential.
4. Develop and maintain a qualified staff capable of enhancing the achievement of individual students.
5. Provide opportunity for student transfers.
6. Ensure that all areas of the school district shall be included in any desegregation plan discussion.
