

POLICY TYPE: EXECUTIVE EXPECTATIONS**POLICY TITLE: STUDENT ACHIEVEMENT/ASSESSMENT**

The Superintendent shall report annually to the Board academic performance, for grades 3 through 10. This report by the Superintendent shall summarize, in an easily-understood format, the results of High Stakes testing, as applicable, for the District as a whole, and for each applicable school. This report shall also include, for each school, the rate at which students are retained. In addition, the results to be reported by the Superintendent shall be disaggregated or reported separately by gender, ethnicity and socio-economic status.
