If any article or section of this Agreement shall be held invalid by operation of law or by any agency of competent jurisdiction, or if compliance with or enforcement of any article or section shall be restrained by such agency pending a final determination as to its validity, the remainder of this Agreement and the application of such article or section to persons or circumstances other than those as to which it has been held invalid or as to which compliance with or enforcement of has been restrained, shall not be affected thereby. In either of the events set forth above, the parties affected thereby shall enter into immediate collective bargaining negotiations, upon request, for the purpose of arriving at a mutually satisfactory replacement for such article or section during the period of invalidity or restraint. If, at any time thereafter, such provision in question is no longer in conflict with the law, then such provision of the Agreement, as originally embodied herein, shall be restored in full force and effect, as if it has never been in controversy or violation.

Article IV

Section 1. During the period of this Agreement, the Association, its officers, representatives, and members shall not authorize, instigate, cause, aid, encourage, ratify or condone, nor shall an employee take part in any work interruption, slow down, stoppage of work including mass sick calls, boycott, picketing or other interruption of or interference with the operation of the School Corporation or School properties. Failure or refusal on the part of any employee to comply with any provision of this Article shall be cause for whatever disciplinary action, including suspension or discharge, is deemed necessary by the Board, and the Board shall have the right to take such disciplinary action in addition to all other rights and remedies which the Board may have or to which it is entitled, both at law and in equity.

Section 2. The Board agrees to no lockouts. A layoff due to the closing of schools or legitimate breakdown beyond the control of the Board requiring a shutdown of an individual school facility shall not be construed to mean a lockout.

ARTICLE V GRIEVANCE PROCEDURE

Section 1. A claim by an employee or the Association that there has been an alleged violation, misinterpretation, or misapplication of a specific provision of this Agreement, may be processed as a grievance as herein provided.

Section 2. In the event that an employee believes there is a basis for a grievance, this procedure shall be initiated in the following manner:

Step 1

Informal Grievance: Within thirty (30) calendar days after the employee believes there is a basis for a grievance, the Employee shall approach the Director of Facilities or designee and discuss the matter in his/her own behalf, either personally or accompanied by an Association Representative(s). A written confirmation of the date of such informal meeting and its general topic shall be completed by both parties on the informal step grievance form attached as Appendix C. The employee, either personally or accompanied by an Association Representative(s), must file an informal grievance before filing a formal grievance as specified in Step 2.

Step 2

Formal Grievance: If as a result of the informal discussion with the Director of Facilities or his/her designee, a grievance still exists, the employee may within twenty-one (21) calendar days of the informal discussion invoke the formal grievance procedure only through the Association by submitting a written grievance to the Director of Facilities or his/her designee indicating the specific article(s) and section(s) violated and the remedy sought, dated and signed by the employee and/or Association representative. Within ten (10) calendar days of receipt of the grievance, the Director of Facilities or his/her designee shall meet with the grievant and the Association representative(s) in an effort to resolve the grievance. The Director of Facilities or his/her designee shall indicate his/her disposition of the grievance in writing within ten (10) calendar days of such meeting and shall furnish a copy thereof to the grievant and the Association president or his/her designee.

Step 3

If the grievance is not settled to the Employee's satisfaction at Step 2, the Association may submit the grievance to the General Counsel within fifteen (15) calendar days of receipt of the disposition given in Step 2. Within ten (10) calendar days, the General Counsel shall meet with the Association Representative(s) on the grievance and shall indicate his/her disposition of the grievance in writing within ten (10) calendar days of such meeting and shall furnish a copy thereof to the grievant and the Association president or designee.

Step 4

If the Association is not satisfied with the disposition of the grievance by the General Counsel, the Association may submit the grievance to binding arbitration, before an impartial Arbitrator selected through the American Arbitration Association. The Association shall submit its intent to arbitrate the grievance to the General Counsel within thirty (30) calendar days of receipt of the answer given in Step 3. The parties shall meet and decide within ten (10) calendar days if the hearing will be conducted under the American Arbitration Association Expedited Arbitration Rules, with the exception of the hearing notification which the parties agree that such American Arbitration Association notification shall be at least fourteen (14) calendar days prior to the hearing. The Association shall file for arbitration with the American Arbitration Association within forty-five (45) calendar days of receipt of the answer given in Step 3.

- A. The arbitration hearing shall be conducted under the rules of the American Arbitration Association. If both parties (Association and Board) agree, the hearing may use the American Arbitration Association Expedited Arbitration Rules.
- B. If the American Arbitration Association Expedited Arbitration Rules are not used, the American Arbitration Association shall be asked to submit a panel of at least seven (7) impartial persons, all of which are members of the National Academy of Arbitrators. Selections from this panel shall be made by the Board striking one name and the Association striking another until one name remains. The person whose name remains shall become the Arbitrator selected by the parties.
- C. It shall be the responsibility of the parties, when applicable, to insure that an arbitrator is selected within twenty (20) calendar days of the date of the receipt of the panel from the American Arbitration Association.
- D. Either party may request, no less than twenty (20) calendar days prior to the arbitration hearing, a conference which shall be scheduled by agreement of the parties no less than ten (10) calendar days prior to the arbitration hearing. The purpose of which shall be:
 1. To stipulate to as many facts as possible;
 2. To identify which facts and/or issues remain unresolved;
 3. To exchange lists of witnesses, the nature of their testimony and exhibits;
 4. To resolve the grievance, if possible, at this conference.

The Board and the Association shall not be permitted to assert in such arbitration proceedings any ground or to rely on any evidence not disclosed to the other party at this conference.

- E. Jurisdiction of the arbitrator shall be only in regard to the particular dispute before him/her, and he/she shall have no power or authority to add to, subtract from, modify or change in any way any of the terms of this Agreement or to write any new clause, change an existing clause, or write a new Agreement, nor shall he/she establish wage scales, change any wages or rates of pay. The Arbitrator shall have no power to pass upon any subject not specifically provided for in this Agreement or any function that belongs to the Board or its designated management as provided for in Article I, Section 2.
- F. Awards of the arbitrator shall be final and binding and shall determine the subject of the arbitration for the duration of this Agreement.
- G. Each party shall bear the cost of presenting its case before the arbitrator.
- H. The expenses and fees of the arbitrator and filing fee shall be shared jointly by the Board and the Association.

Section 3. The time limits provided in this Article shall be strictly observed but may be extended by mutual consent of the parties. If the Board or its agents fail to meet the specified time limits as stated in this Article, the remedy sought by the grievant shall be construed as granted. If the grievant or Association fails to meet the specified time limits as stated in this Article, said grievance shall be deemed abandoned. In the event a grievance is filed after May 15, the timelines established in Section 2 of this Article shall be met even though the official school year may have ended. All written grievances shall be presented and discussed during non-working hours; however, if the employer or Arbitrator schedules a meeting or hearing at Step 4 during the working hours of an employee where testimony is necessary to the presentation of the grievance, the employee shall suffer no loss in pay. The building administrator shall provide the Association Representative a suitable space to discuss a current grievance.

Section 4. Notwithstanding the expiration of this contract, any claim or grievance arising there under may be processed through the grievance procedure through resolution.

Section 5. If the grievance affects employees in two (2) or more buildings, the association shall have the right to bypass Steps 1 and 2 and within thirty (30) calendar days from the cause of the alleged grievance, submit such in writing to the General Counsel directly and the processing of such grievance shall be commenced at Step 3 of the grievance procedure.

Section 6. If the Director of Facilities or designee indicates in writing at Step 1 that the alleged grievance is not within his/her jurisdiction, the Association shall have the right to bypass Step 2 within twenty-one (21) calendar days of such written indication, submit such in writing to the General Counsel directly and the processing of such grievance shall be commenced at Step 3 of the grievance procedure.

Section 7. If the grievance concerns an employee's dismissal the Association may submit the grievance to binding arbitration in accordance with Step 4. The Association shall submit its intent to arbitrate the grievance to the General Counsel within thirty (30) calendar days of receipt of the Board of School Trustees' action concerning said employee's dismissal. The Association shall file for arbitration with the American Arbitration Association within forty-five (45) calendar days of receipt of the Board of School Trustees' action and the processing of such grievance shall be commenced at Step 4 of the grievance procedure.

Section 8. Any aggrieved employee may elect to accompany the Association Representative(s) at any step of the grievance procedure.

Section 9. Only the Association shall have the right to prosecute a formal grievance under this Agreement, and only the Association shall have the right to take to arbitration any formal grievance which is otherwise arbitral under this Agreement. If the Association refuses to prosecute a grievance on behalf of any employee hereunder, the employee who has filed such grievance shall be conclusively bound thereby and the Association shall thereafter be stopped to revive or further prosecute said grievance.

Section 10. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants and no grievance shall be used as a basis for punitive action.

Section 11. All meetings and hearings under this procedure shall be closed to the public and shall include only the interested parties, representatives and any necessary witnesses except by agreement of the parties.

Article VI Seniority

Section 1. "Unit Seniority" shall be defined as the length of continuous service from the employee's date of last employment with the Board in this bargaining unit, or any predecessor bargaining unit. "Maintenance Seniority" shall be defined as the length of continuous service in this bargaining unit. An employee whose regular working schedule is less than four (4) hours per day will be credited with one (1) day Unit Seniority and Maintenance Seniority for each day of service. If two (2) or more employees have the same length of Maintenance Seniority, the Unit seniority will rule; otherwise, the person with more Maintenance Seniority will receive the position, if the qualifications for the job are met. The term bargaining unit shall refer to all maintenance classifications not excluded in Article I, Section 1.

"Classification seniority" shall be defined as the length of service that an employee has been in a certain classification provided that continuous service within this bargaining unit, or any predecessor bargaining unit, has not been broken nor employment terminated. An employee may hold seniority in more than one (1) job classification, but may accumulate seniority in only one classification at a time. If two (2) or more employees have the same

classification seniority, then the employee with the greatest unit seniority shall be considered senior. All employees will be credited with one (1) day of classification seniority for each day of service. Classifications as they appear in this Agreement will not be altered during the duration of the Agreement.

Section 3. New employees and those hired after a break in unit seniority shall be regarded as probationary employees for their first sixty (60) days of actual work. They shall receive no continuous service credit or fringe benefits except as provided in Articles VIII - Hours of Work and Overtime, IX - Compensation, XI - Retirement Benefits, and XIII - Worker's Compensation during such probationary period. Probationary employees retained by the Board subsequent to their first sixty (60) days of actual work shall receive full continuous service credit from their date of last hire and shall become eligible for all fringe benefits commencing their sixty-first (61st) day of actual work.

Probationary employees may be laid off, transferred, disciplined, suspended and/or discharged as exclusively determined by the Board and shall have no recourse to the grievance procedure of this Agreement.

In the event of a reduction in any maintenance classification working force through elimination or combining of positions and/or in the event of reduced months and/or hours, all probationary employees within the maintenance classification where the layoff occurs shall be laid off before any regular employee within the applicable maintenance classification.

Section 4. Any employee hired as a temporary employee shall receive no continuous service credit or fringe benefits while so classified. The Board shall notify the Association of all employees hired for temporary work. Temporary employees shall be given an opportunity to qualify as regular employees. Temporary employees shall not be eligible for benefits other than those provided for in Article XIII - Worker's Compensation. Substitutes are not temporary employees. In the event of a reduction in any maintenance classification working force through elimination or combining of positions and/or in the event of reduced months and/or hours, all temporary employees within the maintenance classification where the layoff occurs shall be laid off before any regular employee within the applicable maintenance classification.

If this least senior employee's position is for fewer scheduled hours and/or months than his/her former position, he/she shall have the right to bump that employee with the least classification seniority holding a position for which the scheduled hours and/or months are equal to those of his/her former position. In the event there is no such position equal in hours and/or months held by a less senior employee, he/she shall have the right to bump a less senior employee holding the position nearest, but less than, the scheduled hours and/or months of his/her former position which the less senior employee shall be the least senior employee assigned such hours and/or months.
2. If two (2) or more positions are to be combined, the combined position(s) shall be offered to the affected employee(s) in order of greatest classification seniority. The affected employee(s) choosing not to accept the combined position(s) or unable to accept because of classification seniority shall have the bumping rights enumerated in Part 1 above.
3. To go on layoff status.

If an employee on layoff is recalled to said position and rejects such recall, he/she shall lose all of his/her recall rights and his/her continuous service shall be broken and employment relationship shall be severed. If an employee who bumps to avoid layoff is recalled to said position and rejects such recall, he/she shall lose his/her recall rights to the applicable specific classification until he/she is subsequently laid off; however, such rejection shall not affect his/her rights enumerated in Section 7-B of this Article.

- B. After posting as specified in Article VII - Vacancies, employees on layoff who are unable to bump or who choose not to bump in accordance with Sections 5 and/or 6 of this Article and employees who bump to avoid layoff, holding classification seniority in other job classification(s), shall be recalled in order of greatest applicable classification seniority to any open position which becomes available in any of the applicable classification(s). Section 8. In the event of permanent decrease in working force, the intent and application of this Article is to reduce people and not months or weeks of work during the calendar year. Regular employees who are laid off and employees who bump to avoid layoff shall be recalled in accordance with Section 7 of this Article before any new employee shall be hired within the applicable classifications. An employee who fails to exercise his/her right to bump in accordance with Sections 5 and 6 of this Article shall remain on layoff status until recalled in accordance with Sections 7 and 9 of this Article.

Section 10. The Board shall supply the Association, upon request, a current seniority list of all employees in each occupational classification. Seniority lists shall include the name and the seniority dates (unit and classification) of each employee on the list. Alleged errors in the seniority list shall be brought to the attention of the Board as promptly as possible. Seniority lists shall be posted by July 1 of any contract year.

Section 11. Seniority shall not apply to any particular type of work within a classification or to the place where such work is performed, or to any particular machine or piece of equipment with which work is performed.

Section 13. Employees on layoff shall have the option to be on the substitute list.

Section 14. Employees on layoff shall be offered temporary work before any outside temporary employees are hired.

ARTICLE VII Vacancies

Section 1. The Board, where unusual circumstances warrant, may grant a leave of absence without pay to an employee upon written request and upon good cause being shown for such leave for a period not to exceed one (1) year per request. A request for medical leave must be accompanied by a statement from a physician licensed to practice in the state of Indiana or Ohio.

An employee who desires a child rearing/child bearing leave shall make written application to the immediate supervisor requesting such leave. A physician's statement certifying pregnancy must accompany the request for leave, or in the case of child rearing, a copy of the birth certificate.

If circumstances warrant, the Board may extend a leave for medical reasons for a definite period upon recommendation of a physician licensed to practice in the state of Indiana or Ohio. In the event an employee has requested a leave for medical reasons after using his/her total days of accumulated sick leave, he/she must request a leave of absence and may arrange for his/her insurance coverage to be extended in accordance with Section 6 of Article X - Insurance.

Upon return to work, except as limited by Article VI - Seniority, an employee shall be returned to his/her former job, if such job exists. If it does not exist, the employee shall have the bumping rights specified in Article VI, Section 5.

Seniority and other accumulated benefits shall not accumulate but shall be retained during said leave of absence and restored to the employee upon his/her return.

Section 2. A copy of the Board's policy(ies) governing unpaid leaves not specified within this Agreement shall be sent to the Association president upon adoption by the Board.

Section 3. Family and Medical Leave Act (FMLA) Leave

An eligible employee is required to use his/her available paid leaves in FMLA leave situations.

Section 4. When an employee is on an approved medical leave of absence (including FMLA) all paid leave days must be used before unpaid days may be taken.

ARTICLE XXII Paid Holidays

Section 1. Each non-probationary employee shall receive the following paid holidays:

July 4	Day before New Year's Day
Labor Day	New Year's Day
Thanksgiving Day	Martin Luther King Day
Day following Thanksgiving	Presidents' Day
Day before Christmas	Good Friday
Christmas Day	Memorial Day

Martin Luther King Day and Presidents' are to be observed on the date that teachers are off for said days. If school is in session on Martin Luther King and/or Presidents' Day and no alternative day is selected by the School Corporation to recognize these dates, then these days shall not be considered a holiday.

Section 2. An employee eligible for holiday pay shall receive, when the holidays enumerated in Section 1 are not regularly scheduled days off work, holiday pay of his/her regular straight hourly rate times the number of hours the employee is regularly scheduled. If a paid holiday occurs on a Saturday, for purposes of this Article, Friday becomes the holiday. If a paid holiday occurs on Sunday, Monday becomes the holiday. For example, if Christmas occurs on a Saturday, then Friday becomes the holiday and since the day prior to Christmas is also a holiday, both Thursday and Friday would be holidays.

Section 3. An employee eligible for holiday pay shall receive, for all hours worked when he/she is scheduled to work and actually does work on any one of the holidays enumerated in Section 1, one and one-half (1 ½) times his/her straight time hourly rate of pay for all hours worked on the holiday, in addition to his/her regular straight hourly rate times the number of hours the employee is regularly scheduled as provided in Section 2 above.

Section 4. To be eligible for holiday pay an employee must meet all of the following conditions:

- A. Have seniority in accordance with Article VI - Seniority as of the date of the holiday;
- B. Work the day immediately before and the day immediately following the holiday, if scheduled to work, exceptions being legal leaves, bereavement leaves, and illness in which case a physician's statement may be requested by the immediate supervisor verifying illness as justified cause for absence.

Section 5. Hours paid for but not worked during the normal work week (Monday through Friday inclusive) in accordance with the provisions of this Article, shall be considered hours worked for the purpose of computing overtime pay.

ARTICLE XXIII

Vacations

Section 1. To be eligible for a vacation, an employee must be in the regular active employment of the Board for twelve (12) months per year and shall have worked a maximum of sixty percent (60%) of the scheduled days of work in the twelve (12) months immediately prior to his/her employment anniversary date.

Section 2. Paid vacation days shall be granted on the following basis:

- A. Each employee who, on his/her employment anniversary date, has unit seniority for one (1) year but less than two (2) years shall be eligible for one (1) week vacation with pay.
- B. Each employee who, on his/her employment anniversary date, has unit seniority of two (2) years but less than five (5) years shall be eligible for two (2) weeks vacation with pay.
- C. Each employee who, on his/her employment anniversary date,

has unit seniority of five (5) years but less than twelve (12) years shall be eligible for three (3) weeks vacation with pay.

- D. Each employee who, on his/her employment anniversary date, has unit seniority of twelve (12) years or more shall be eligible for four (4) weeks vacation with pay.

Section 3. Vacation pay for an employee shall be 40, 80, 120, or 160 times the regular straight time hourly rate of the job classification in which he/she is employed immediately preceding his/her vacation. An employee whose regular work schedule is four (4) hours per day shall receive one-half (1/2) of 40, 80, 120, or 160 times the regular straight time hourly rate of the job classification in which he/she is employed immediately preceding his/her vacation. An employee's vacation time shall be reimbursed based upon the number of hours per day being worked during that period of time in which such vacation was earned.

Section 4. The vacation season shall be from January 1 through December 31 of any calendar year. Vacations shall, insofar as possible, be granted by the Board at times most desired by the employees. Vacations during any one period shall be limited to such numbers and classifications as not to interfere with the normal conduct of the schools as specified within Section 7 of this Article. When more vacations are requested than can be granted for any one (1) period, preference will be given to the employees with the most classification seniority. The final right, however, of scheduling vacations is reserved to the Board to insure the efficient and continuous operation of the schools.

Employees who are not able to schedule vacations during the same anniversary year in which the vacation days are accrued shall be permitted to carry over up to five (5) vacation days to the next anniversary year, provided the carry over vacation days are taken during the first six months following the employee's anniversary date.

Section 5. When a holiday falls within an employee's regularly scheduled vacation, he/she shall receive his/her holiday pay including time off and such day shall not be counted as a day of vacation.

Section 6. Any employee who breaks his/her continuous service, as defined in Article VI - Seniority and who has not taken his/her earned paid vacation shall receive his/her full paid vacation with his/her last pay check. Additionally, any employee who breaks his/her continuous service as defined in Article VI - Seniority, prior to his/her employment anniversary date, shall receive his/her following year's paid vacation, on a prorated basis, with his/her last pay check or as soon as possible thereafter.

Section 7. Maintenance Department employees assigned to buildings without regular student attendance may be granted requested paid vacation time at any time during the calendar year (January 1 - December 31).

ARTICLE XXIV
Working Conditions

Section 1. The Board agrees to provide and maintain proper safety throughout the schools and shops in accordance with state and local standards. The Board, for the purpose of maintaining proper appearance and regard for its employees' cleanliness, will furnish a minimum of five (5) uniform changes per week for each employee within the Maintenance Department.

Section 2. The parties agree the uniforms specified in Section 1 of this Article shall be worn on all student attendance days during the regular school year and all extracurricular events.

Section 3. The Association president will be furnished with a copy of any new or revised rules, policies or regulations, whichever is applicable, affecting the Association and the employees covered by this Agreement at least fourteen (14) calendar days in advance of the effective date of such applicable new or revised rules, policies or regulations and the same shall be posted on designated bulletin boards in each building and maintenance building for at least one (1) working day in advance of the effective date.

Section 4. There shall be a paid clean up period of fifteen (15) minutes each before lunch period and quitting time.

ARTICLE XXV
Complete Agreement

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Board and the Association, for the life of this Agreement, each voluntarily and unqualifiedly waive the right, and each agree that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered by this Agreement, or with respect to any subject or matter not specifically referred to or covered by this Agreement even though such subject may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement except as otherwise expressly provided in this Agreement; unless the parties, by supplemental written agreement hereto, mutually agree to conduct additional bargaining on said subjects or matters. This provision shall not affect the bargaining of a successor Agreement or any automatic reopeners specified in this Agreement.

This Agreement sets forth the full and complete understandings of the parties hereto and cancels and supersedes any and all agreements heretofore entered into by and between the parties and cancels and supersedes any Board rules, regulations, policies and practices, written or oral, which are in conflict with this Agreement.

ARTICLE XXVI Duration

Section 1. This Agreement shall become effective when ratified by both parties subject to the terms here within and continue through December 31, 2017. This Agreement shall expire on the date indicated and in accordance with this Article unless extended by written consent and ratification of both parties.

Section 2. There are no reopeners for 2016 or 2017.

Section 3. The parties agree that bargaining for a successor agreement shall begin no later than October 1, 2017. Meetings necessary to conclude a mutually satisfactory successor agreement shall be scheduled at times and places mutually convenient and appropriate for both parties. If no agreement on a new Agreement is reached and ratified by the parties on or before December 31st of the year the Agreement expires, then this entire Agreement shall remain in effect on a status quo basis through December 31st of the following year or until a new Agreement is reached and ratified by the parties subject to the terms of the new Agreement, whichever occurs first.

Section 3. In the event the parties fail to conclude a mutually satisfactory written successor agreement, either party may request the selection of a mediator from the Federal Mediation and Conciliation Service. If, with the help of the mediator, the parties have not reached an agreement, an impasse shall be declared by the mediator.

Section 4. In the event such impasse is reached, the representatives of the Association will submit the last offer on the item under impasse made by the Board's representatives to the members of the Association for their vote. If a majority of those voting agree to accept the Board's offer, the offer will be considered accepted by the Association and the negotiations will be considered completed on the item under impasse. If the vote of the Association shows a majority of those voting favor rejecting the Board's offer, then either party may request the Federal Mediation and Conciliation Service to initiate mediation.

Section 5. This Agreement is made and entered into by and between the Board of School Trustees of the East Allen County Schools heretofore called the "Board," and the East Allen County Schools Maintenance Association, heretofore called the "Association."

In witness whereof the parties hereto have caused this Agreement to be signed by their respective presidents and attested by their respective secretaries this 21st day of June, 2016.
