■ Several administrators presented information related to the transition process of the Redesign Plan for the Woodlan and Heritage attendance areas: Doug Roemer, Director of Facilities, presented information regarding the facilities within those areas; Roger Miller, Manager of Transportation, presented busing information; Kirby Stahly relayed information having to do with the financial impact; and Dr. Green shared regarding enrollment numbers. Board discussion followed.

RECOGNITIONS

The week of February 7-11 marked National School Counseling Week! This special week celebrates the unique contribution and the tremendous impact school counselors can have in helping students achieve school success and plan for a career. We salute our School Counselors!

Over the next several months, students from our Harding attendance area schools who are involved in the STAR (Students Taking Academic Responsibility) Program will be recognized at the Board meetings. The STAR Program provides opportunities for students and their families to build mini-Indy 500 cars out of Legos and to use this hands-on learning opportunity to increase their science, math and language skills in addition to building their relationship skills. Meadowbrook Elementary School's STAR students were recognized at the February 15th Board meeting and include:
