

Fall Break

Most of the time I go to school during the week.
I go to school on Mondays, Tuesdays, Wednesdays,
Thursdays, and Fridays. Those days are called weekdays.
I don't usually go to school on Saturdays or Sundays.
Those days are called weekends.
I do not go to school
on weekends unless there is a special event.

Sometimes I do not have school when there is a holiday
or vacation. I do not have school on Fall Break.
Fall Break is in October.
Fall Break is a special time to rest and play.
Some people just rest at home and
some people take a vacation.

Fall Break

no school

I can look at my school calendar to remember the days
that I do not have school.
I will go back to school after break.
My friends and my teacher will be happy to see me.
