

Fall

Fall is one of the four seasons. Fall includes the months of September, October, and November. Fall is one of the colder seasons that leads to winter.

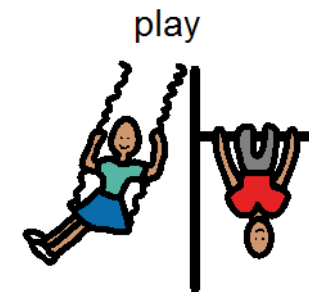

**Fall is a time when students go to school.
Sometimes, fall is also called autumn.**

Fall is a time to enjoy cooler weather outside. Some people like to have bonfires and hayrides. Some people like to go camping and hiking. Some people play sports, like football. Some people like to look at trees and see how the leaves change colors. Some people eat apples and pumpkin treats.

Fall can be a fun time to play inside or outside. Sometimes it is really warm and sunny. Sometimes it is cool. Most schools have a short break from school in the fall. There are a lot of fun things to do in the fall, when the weather is nice. Playing inside and outside can be fun!

Fall is a cooler season of the year than summer or spring. Near the end of fall, some people will celebrate Halloween. When fall is over, it will be winter and it will be time to celebrate the holidays. Fall is a very colorful time of year.
