

# Field Trip

My class is going on a field trip.  
A field trip is a special trip from school.  
We are going to go to learn and have fun in a new place.  
This is a change in schedule, but it is okay.  
I remember that my friends and  
my teacher will be going on the field trip too.

We will all come to school like we do every day during the week.  
Then we will ride in a bus to go on our field trip.  
Sometimes more adults will go with us to help out.  
When we get there, my teacher will tell us what we are going to do.  
We will learn and have fun on the field trip.

When the field trip is over, we will ride in the bus back to  
school. We will go home at the end of the school day.  
Field trips are a fun change in schedule.  
We will be back on our school schedule on the next school day.
