

<p><b>Holiday and Christmas Parties</b></p> <p>It is almost the Holidays and my class is going to have a party!</p> <p>We will play games. We will have snacks. We will have fun!</p>
<p>My teacher will tell us when we will have our party. She will show us on the calendar.</p>
<p>Some adults will come and help with the party. They will help us play games and have fun.</p>
<p>My class may be a little bit loud and noisy, but it is okay. I can use headphones or ask for a break if it is too loud.</p> <p>We will have snacks and special activities. The schedule will change, but the party will be fun! My teacher will be there to have fun too.</p>
