East Allen County Schools Inclement Weather Driving Policy For Out-Of-School Unpaid Interns and I.C.E. Paid Interns

“East Allen County Schools does not require, or recommend, that students drive to, or report to, any off-campus paid or unpaid internship site during any part of a day covered by an East Allen County Schools’ announced school delay or school cancellation due to extreme inclement weather. However, East Allen County Schools will not interfere with individual student decisions to drive to, or report to, any off-campus paid or unpaid internship site during any such period if the student, the student’s parents (if the student is under the age of 18), and the student’s internship site mentor conclude that such travel can take place without undue risk to student safety.”
