Dear Parents/Guardians,

Safety is our first priority when transporting your child. We ask that an adult meet the Special Needs bus when dropping off our students to ensure that every child makes it home safely.

Please fill out the bottom portion and return to your student(s) bus driver as soon as possible. If you should have any questions or concerns, please feel free to contact me. I thank you for your cooperation and look forward to the coming school year.

Sincerely,

Kim Gallmeyer
Special Needs Assistant
