

SUPERINTENDENT'S SHOUT OUT!

September 28, 2018

IN THE NEWS:

- **Cedarville Elementary School's** 3rd grade cross country teams are coached by PE teacher Jennifer Klug. The girl's team is doing well. At the 9/20 meet Frankie Lorenc placed 3rd, and 2nd in a previous meet. At the 9/25 meet Emma Connally won; Haley Carter, Kendi Kiehl, Scarlett Baggett, and Sadie Morgan ran their best times.
- **Heritage Elementary School's** 5th grade students attended Starbase and used math and science skills to learn about flying and building rockets.
- **Leo Elementary School** recently completed their 2018 school fundraiser. Through great team effort, 19 of 21 classrooms made their fundraising goal. The 20 top sellers earned a limo ride to Buffalo Wild Wings for lunch.
- **New Haven Primary School** completed the school-wide Kindness Challenge with 100% participation and completion from all teachers.
- **New Haven Intermediate School** completed their Kindness Challenge by doing community service in the Meadowbrook community. We believe that service is the ultimate example of kindness!
- A shout out to **Prince Chapman Academy's** PE teacher Jared Kunberger for hosting Focus on Health at Prince Chapman Academy!
- **Southwick Elementary School** is excited about a new partnership with Balanced Child Yoga where 1st grade students will learn about meditation and yoga to reduce trauma induced stress.
- **Woodlan Elementary School's** 4th grade teacher Sharon Smith organized the "Constitution Day" visit from Judge Avery; All of the 4th grade students and teachers created awesome presentations on the three branches of government!

KINDNESS CHALLENGE UPDATE:

A new initiative that we have started this year District-wide is the "Kindness Challenge". Every building in our District is participating in the Kindness Challenge.

The goal of the challenge is to teach students how to practice kindness, be more empathetic, and manage their emotions and actions, so that they can be better equipped to navigate the complex world we live in.

Each school is completing a 30-day challenge that requires them to complete at least 4 lessons from the following topics: developing positive mindsets, strengthening peer relationships, fostering empathy, and promoting cyber-kindness.

Schools have been encouraged to continue working on the kindness lessons throughout the remainder of the school year.

Parents, if you have a moment ask your child if he/she has participated in a kindness challenge lesson. If you follow EACS on Facebook, you will see lots of pictures of students and staff participating in the Kindness Challenge.

DID YOU KNOW?

There are around 280 native languages represented in Indiana schools. How many native languages are represented in EACS?

Answer: Approx. 40
