

SUPERINTENDENT'S SHOUT OUT!

March 1, 2019

IN THE NEWS:

- The **East Allen Alternative School** students have a good start on this semester's PBLs. Mr. Odigboh's class is creating a food truck simulation and Mrs. Anderson's class is working on an Escape Room in a Box.
- Kudos to both **East Allen University** and **Paul Harding Junior High School** for their hard work and efforts to raise funds for the Riley Hospital district fundraiser. Given that we had so many eLearning days our students went above and beyond to raise funds. Total building goal was \$500. PHJH raised \$725.59; EAU raised \$509.10; for a building total of \$1234.69 - exceeding the goal!
- **Heritage Jr./Sr. High School** wants to give a special thank you to the parents, students, staff and community members in the Heritage area for their contributions to the "Caring for Our Communities" fundraiser at the HEHS/NHHS basketball game on February 15th.
- **Leo Jr./Sr. High School's** Ian Heath wrestled to a 5th place finish at the IHSAA Wrestling State Championships on February 16th.
- As part of **New Haven High School's** Kindness Challenge, the Life Skills students delivered cards to Parkview Hospital patients last week.
- **New Haven Middle School** was able to raise \$1,672.67 for the Riley Hospital fundraiser - the most of any school in the district. Congratulations team!
- **Woodlan Jr./Sr. High School** appreciates Mrs. Martin and the FFA for hosting a fun "FFA Week" and providing a grab and go breakfast for the entire K-12 campus.

CONSTRUCTION UPDATES:

New Haven High School - Renovations/Additions

In the new classrooms in the prior high school administration area: the walls have been painted; white boards and clocks installed; and cabinets delivered. In the auxiliary gym area: the installation of the spectator bleachers is under way; benches have been installed in the locker rooms; and started the installation of flooring in the athletic offices. In the 1st and 2nd floor classroom renovation areas: continuing on the removal of floor tiles; demolition of student restrooms; removal of water/gas lines in science labs; masonry work is in process for the required classroom door alcoves; and in the renovated special education classrooms demo of floors for sanitary lines.

New Haven Intermediate School - New Construction

The gym storage room slab has been poured. The laying of face brick on the eastern half (north and south exterior walls) of the building continues along with the face brick on the kitchen/cafeteria. The drywall installation on the 2nd floor of Unit C (classroom addition) is complete. The installation of the ceiling grids in Unit C in 2nd floor classrooms continues along with the grilles and diffusers in the 1st floor of Unit C. The installation of the visual display boards (i.e. whiteboards) in the Unit C 1st floor classrooms is pretty much complete. Installation of casework for the Unit C classrooms continues. The quarry tile in the kitchen area has been laid and grouted. Work continues on the installation of the sprinkler piping in Units A & B.

DO YOU KNOW?

The number of students enrolled in EACS, as of the February 1st count date?

Answer: 9859 students

EACS TO BE RECOGNIZED FOR OUR KINDNESS CHALLENGE!

This school year, EACS participated in a district-wide initiative called the Kindness Challenge. Every school in our district took part. In fact, we are the only district in the nation to have all of their schools participate in this initiative! Other great news - Southwick Elementary and New Haven Middle Schools are both finalists in the nationwide Kindness Challenge. EACS will hold a huge recognition on Tuesday, March 5th at 1:00 PM at NHHS. Reps from the Kindness Challenge will be on hand to recognize EACS for our participation!
