## Digital Literacy and Citizenship in a Connected Culture

Teachers: Login with your old account, or set up a free account on this website. Please read through the learning overview and objectives, the materials and preparation, and the teaching plans *prior* to teaching this lesson to the students.

<b>G r a d e</b>	Find your grade level, start at the left, and teach the lessons in order. To be taught on a bi-weekly or monthly basis until all lessons completed (To be complete by Christmas Break). <b>Principals:</b> when all lessons are completed, please send a confirmation letter, on school letterhead, to the Director of Technology.
