

Spam

If you think you have received spam email, please do not open it up. If we send anything out regarding your password or regarding your mail system, it will come from eacs.k12.in.us.

When you think you have spam email, forward the message to spape@eacs.k12.in.us. Forward the message by selecting Forward as Attachment. Then right click on the message and a popup window will display. Select the Junk Mail and Block Sender and this will display:

You can also view your Junk Mail Handling from the popup and make sure that these options are selected and you can view your Junk List and edit it.
